

## **Relay For Life**

The theme of the American Cancer Society's Relay for Life is that "There is no finish line until we find a cure." CC&V sponsored this year's Relay event in Woodland Park, and Environmental Resources employee Penny Roberts jumped in and put together a CC&V team for the event.

It is no small undertaking for the teams in the Relay for Life. The team commits to keep at least one member of the team on the track for the 12 hour event. The program started at 7:00 PM June 17 and finished 12 hours later at 7:00 AM June 18. The team decorated their base camp tent in a tropical theme, but ultimately ended up burning the decorations in an attempt to keep warm.

The team raised \$1500 for the American Cancer Society. Special thanks to Penny for her efforts in this event, and to the rest who participated on the CC&V team: Natalya, Shawn and Alex Bell; Katy, Alex, Brad and Nick Conlin; Michelle Carothers; Tammy Palanza; Austin Quammen; Larry, Anna and Brady Becker; Katelynn Roback; Blake Parsons.
