

County Fairs

CC&V participated in the Teller County and Fremont County 4-H livestock auctions again this year. Both fairs experienced record setting prices and attendance. Lawrence Myers and Shawn Tomlinson took the lead at the Teller County Fair, arriving early to look over the competition. The duo purchased the following animals:

- Deanna Ankrum – Market Beet
- Ruth Grainger – Lamb
- Jaeson Bielz – Hog
- Nathan Bielz – Hog

The meat from the beef was donated to the Hilltop Rehab and Wellness Center for their residents.

Jane Mannon ventured to Fremont County for their auction. Animals purchased were:

- Stephanie Haas – Goat
- Emily Vanhoutan – Hog
- Nathan Corsentino – Hog
- Taryn Chapman – Lamb

Taryn is the daughter of CC&V shifter Mark Chapman. Taryn assured us that she would be back at the fair again next year.
