

Florissant Grange

The Florissant Grange has hosted very successful Christmas and Easter parties in the past several months for residents of the community. The Christmas party had 54 children visit Santa at the Grange to share their Christmas wishes.

The Easter party was also a success, with 30 children joining in the fun. Nice weather allowed an outdoors Easter Egg hunt. Each child received an Easter basket filled with seasonal goodies and a stuffed animal. Extra Easter baskets were donated to the Special Olympics.

CC&V made contributions to both of these events, and we congratulate the Grange and their other sponsors for another valuable community event. Rita Coss, Lab Technician for CC&V, helped coordinate the parties and participated in fundraising activities with the Florissant Jammers and Red Hat Society.
